

**Tuesday March 7**

9:00 - 9:30

**Registration with coffee and tea**

9:30 – 10:00

**Introduction** by Foundation for Responsible Robotics (Aimee van Wynsberghe and Noel Sharkey), and Harvard Humanitarian Initiative (Faine Greenwood and Nathaniel Raymond)

10:00 – 11:15

**Panel #1: Setting the stage** (current challenges of this historical moment, diagnosis of how drones are being used in humanitarian contexts, problems and benefits)  
**Panelists:** Tina Comes (ISCRAM), Andrew Billo (UNFPA), Kate Chapman (Cadasta),  
**Moderator:** Nathaniel Raymond

11:15 – 11:45

BREAK

11:45 – 13:00

**Panel #2: The role of industry in regulating humanitarian practices**  
**Panelists:** Arthur de Crook (RoboValley), Rohan Bennett (ITS4land), Giacomo Rambaldi (CTA), Jessica Dorsey (PAX)  
**Moderator:** Noel Sharkey

13:00 – 14:00

LUNCH

14:00 – 15:30

**Panel #3: What is required to move forward** (what are best practices, what are worse case scenarios, what is the role of academia/industry/policy-makers in achieving best practices?)  
**Panelists:** Allison Burtch (UNICEF), Rasha Abdul Rahim (Amnesty International), Michael Nagenborg (UTwente),  
**Moderator:** Faine Greenwood

15:30 – 16:00

BREAK

16:00 – 17:00

**Panel #4: Goals for the outcome document** (what has been delivered so far in policy recommendations, what gaps are there in the current recommendations, why such gaps, how to overcome)  
**Panelists:** Patrick Meier (UAViators), Alessandro Carrotta (DG ECHO, Humanitarian Aid and Civil Protection), Irakli Beridze (UNICRI), Denise Soesilo (FSD)  
**Moderator:** Aimee van Wynsberghe

17:00 – 18:00

**RECEPTION**

**Foundation for Responsible Robotics**

RESPONSIBLE  
**ROBOTICS**  
Accountable Innovation for the Humans Behind the Robots

## Wednesday March 8

9:00 - 9:30

### Coffee and tea

9:30 – 10:00

**Introduction** by Aimee van Wynsberghe, Noel Sharkey, Faine Greenwood and Nathaniel Raymond: why this meeting and its goals?

10:00 – 10:30

**Session #1: Review** (scan relevant documents in order to move forward, identify missing documents, re-iterate salient features already expressed and/or missing)

10:30 – 11:15

**Session #2: Break away in small groups to draft text**

11:15 – 11:45

BREAK

11:45 – 13:00

**Session #3: Break away in small groups to draft text**

13:00 – 14:00

LUNCH

14:00 – 15:00

**Session #4: Present findings/text to entire group, provide feedback on text generated**

15:00 – 15:30

**Finalizing items – plans for moving forward with the document (Aimee and Faine)**
